and our

\$40,000 Match Campaign for converting to a Medical Center

We are thrilled to announce that Dr. Cynthia Walsh, MD, FACOG, has agreed to be our Medical Director as Compass converts medically. Cynthia grew up in Morgantown, and has been practicing obstetrics and gynecology since the 1990's. She opened her own practice, Pineview Gynecology, in 2001, and "considers it an honor and privilege to serve her patients." This year, Cynthia hosted a baby shower for Compass out of her clinic, which provided us with numerous diapers, baby clothes, and various baby items donated by her staff and patients. We're incredibly grateful for Dr. Walsh and her willingness and work to support a culture of life in Morgantown!

Welcome Dr. Walsh!

Liz chose LIFE!

Liz* was intent on having an abortion when she came to Compass to confirm her pregnancy. An unexpected pregnancy would certainly interrupt her life as a single, working university student. Liz met with our Client Care Director, Nicky, who walked her through our options consultation. By the end of the meeting, Liz reported that she was still uncertain whether she would choose abortion or to carry and parent. She openly expressed thankfulness for the information as she considered what would be best for her. We prayed.

Liz was referred for a free ultrasound at the Pregnancy Resource Center in Clarksburg, and we prayed again. We petitioned you to pray. **We asked God for mercy so that she would show up for the free ultrasound appointment. God answered.** Liz not only went to the appointment but indicated she would likely choose life.

Nicky Decker, Client Care Director, holding a lovely client's precious baby girl!

Weeks passed, and there was no answer to our calls or emails. Could Liz have changed her mind and aborted after all? We continued to pray and hope. We asked prayer partners to persevere for the life of this babe. Finally, Liz contacted Compass for another appointment. She had indeed chosen life! Liz was excited to be a mom as well as complete her degree.

Because you pray, because you give, because you support this mission, a life was saved!

"I love how kind and respectful they are. I love how much they desire to help and meet needs." | 2024 client

EXECUTIVE DIRECTOR'S UPDATE

COMPASS WOMEN'S CENTER

Lisa Liberda | Executive Director

Much growth and expansion has taken place at Compass this year. The Center is bustling, client numbers consistently climb, and new programs are born. At times we're left with a sense of just how small we are as a center with only a handful of staff working to meet such a vast need! We may be tempted to stagger when faced with the realities of abortion statistics, the cultural scene, or specific tasks undertaken to convert medically.

Thankfully, we have you, our supporters! One of our donors commented how amazing it was at our Evening of Hope to see a multitude of people from different churches come together as one for this critical cause of life. Within the past five months alone, Compass was gifted with 3 diaper drives, 4 baby showers and 10 sponsors stepped up as underwriters for our banquet. People are standing up to invest in life and life in abundance.

We are at the forefront of a massive movement, the cusp of a new and life transforming venture as we proceed to offer cost-free ultrasounds. Two mamas over the past few months have bravely chosen life at Compass. That number will undoubtedly increase when we open medically. Because of you - a person who has joined Compass to promote life, someone who wants to make a difference in your community - babies are saved, vulnerable people are helped, hearts are encouraged, isolated people are loved, and a culture is impacted for life.

IMPACT | JAN-MAY 2024

- Fatherhood Program
 - 14 Compass Dads participated in 42 Hours of training and mentoring
- Parenting Education: Over 68 hours
- Diapers: 9,907

- Toys: 51
- 16 *new* clients!

Mission Statement

Compass is a Christ-centered organization that offers hope by equipping women and families with support and information to embrace the gift of life throughout pregnancy and beyond.

\$40,000 MATCH CAMPAIGN for expansion and adding medical services!

Help us reach her when
she needs us most.

Your gifts are being **doubled** during this incredible \$40,000 match campaign! It is absolutely crucial for Compass to transition into a medical center in order to serve the needs of our clients fully. This transformation will necessitate hiring new staff, renovating our building, providing training, and so much more. Please, we urge you to show your support for this vital cause this year! Together, we can make a real difference in the lives of those we serve.

We hosted our 6th annual Evening of Hope at the Erickson Alumni Center in April, 2024. Over 200 guests celebrated our mission and future goals, including a new Fatherhood program and plans to offer ultrasounds. We raised \$68,000 towards our \$100,000 goal. Thank you!

**JOIN US NEXT YEAR ON APRIL 6TH, 2025 FOR OUR 7TH ANNUAL
EVENING OF HOPE.**
